

Engage NOW.
It's easy...

- 01**> Let us open a NOW account for you
- 02**> Book a courier online or manage your consignments through your freight management system
- 03**> A friendly NOW courier will be around to pick up your items shortly

It's that easy. We want you to think of us as an extension of your business – your 'across Auckland' specialist that delivers when you need it, to the people that need it NOW. Because in a world where everyone wants everything yesterday, our people, technology, knowledge and service means there's no time (and no courier brand) like NOW.

Deliver to your Auckland customers, today. Guaranteed.

Most Auckland businesses struggle to get products to their Auckland customers on the day they're ordered.

That's why we built our guaranteed same day delivery service, so you know when you give it to NOW Couriers, you can rest assured it gets there today.

From South Auckland to North Harbour, we guarantee a same day delivery. Add in a guaranteed evening delivery option and your customers will always have their products when they need them.

01

Guaranteed same day delivery

No matter what's going on in our busy city, we guarantee a same day delivery. 85% of our freight is delivered within three and a half hours. We know your customers want their parcels today.

Give your parcels to us and we guarantee your Auckland customers will have them today*.

02

Guaranteed evening delivery

We know Aucklanders aren't that great at waiting for their products to be delivered. That's why we guarantee evening deliveries too.

As the sun goes down, we'll continue to deliver to your customers.

Give your evening delivery needs to us and we'll customise a delivery service to meet your needs.

03

Seamless digital experience

We're obsessed with creating a delivery experience you and your customers will love.

From eCommerce integrations to delivery notifications. You'll feel in control of every parcel you send, and your customers will get a delivery experience worth returning for.

04

Bang for your buck

Guaranteed same day delivery. Guaranteed evening delivery. An unmatched digital delivery experience. Sounds expensive, right? It's not. We give you the speed of an on-demand point to point delivery service with the price of a next day delivery service.

Talk to us about rates, we think you'll like what you see.
